

Your sponsorship **\$\$** at work!

Since 1982, **WELLCOM** has made a significant impact on the lives of thousands of individuals and improved the health of our community.

- + More than **225,000** lives are being positively impacted by working at a **WELLCOM**-member company.

- + More than **400** businesses have implemented a healthy workplace policy due to the work of **WELLCOM** and their community partners.

- + Each year, more than **50** small businesses with limited resources are provided the opportunity to attend worksite wellness trainings, receive high-touch assistance, and learn from national, cutting-edge speakers within the health improvement industry.

- + Many of our member programs and services are provided **free of charge** to enable ALL businesses, large or small, the opportunity to improve the health of their most important asset—their people.
